

Departure from Catania airport

Welcome lunch at Charlemagne college

Physics and Chemistry experiments

Blegny coal mine

We had a really good time visiting the mine and learning what the Life of a Miner is about

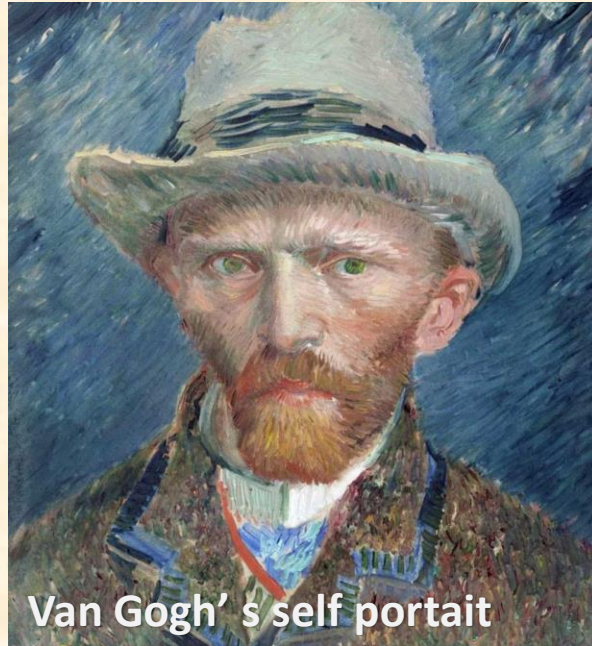

Lesson about the Dutch school system

Visit at the Rijksmuseum

Van Gogh's self portait

Canal of Amsterdam

The city that all of us found gorgeous and unique in its kind

**Nemo science museum,
built by Italian architect
Renzo Piano**

Maastricht

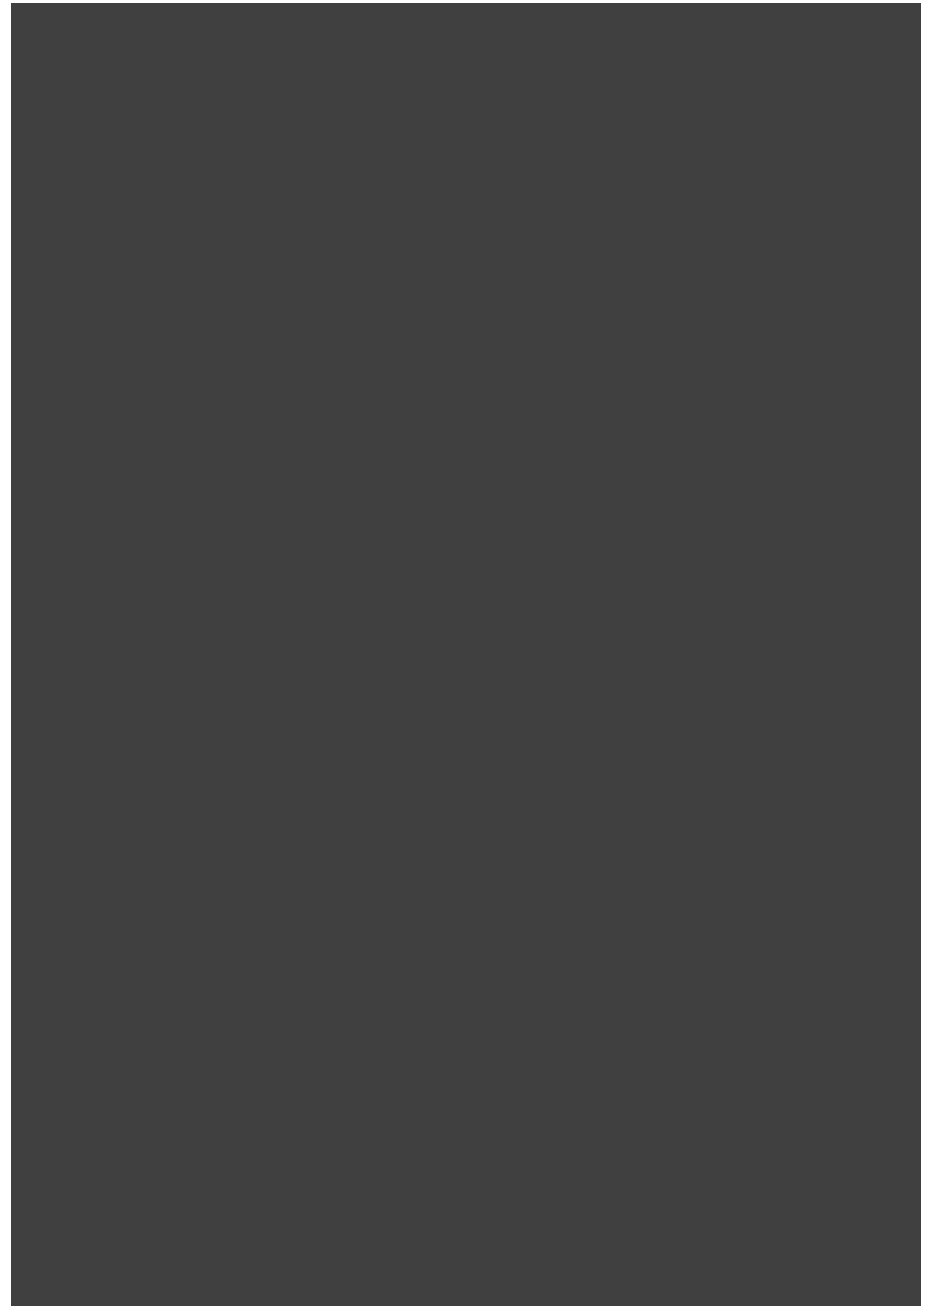

Bruxelles

Heerlen

Return to
Catania

Power Point By Alessandro
Cacciola and Bruno Antonio
Samuele

Thanks for the attention
